

# KEY WORDS

Philanthropy

## Philanthropy

is an attitude, an ideology of disinterested commitment and/or wish to help the society in which one lives

## Charity

Is a strategic action going beyond the concrete care for the people close to you

## Mutual assistance

Is a support for the immediate encirclement

## Donation

Is a positive action, beyond the personal interest, donating financial resources, property

## Volunteering

Gratuitous help through donating time, labor, energy, expertise

## Self-sacrifice

In the name of rescuing the others

## “VOLUNTEER” DEFINITION

### ON VOLUNTEERING

**United Kingdom** – engaging time and efforts, delivered gratuitely in favor of the community or of the people beyond the family

**USA** – a free choice of giving gratuitous support without remuneration ( the costs could be covered). Volunteer work could be a formal one ( an organized one) or an informal one (“good neighbor” kind of activity)

**Bulgaria** - A volunteer is a physical person, who realizes volunteer activity – an activity beyond the professional relationships of the volunteer which consists of delivering labor and/or services by own choice and without being paid

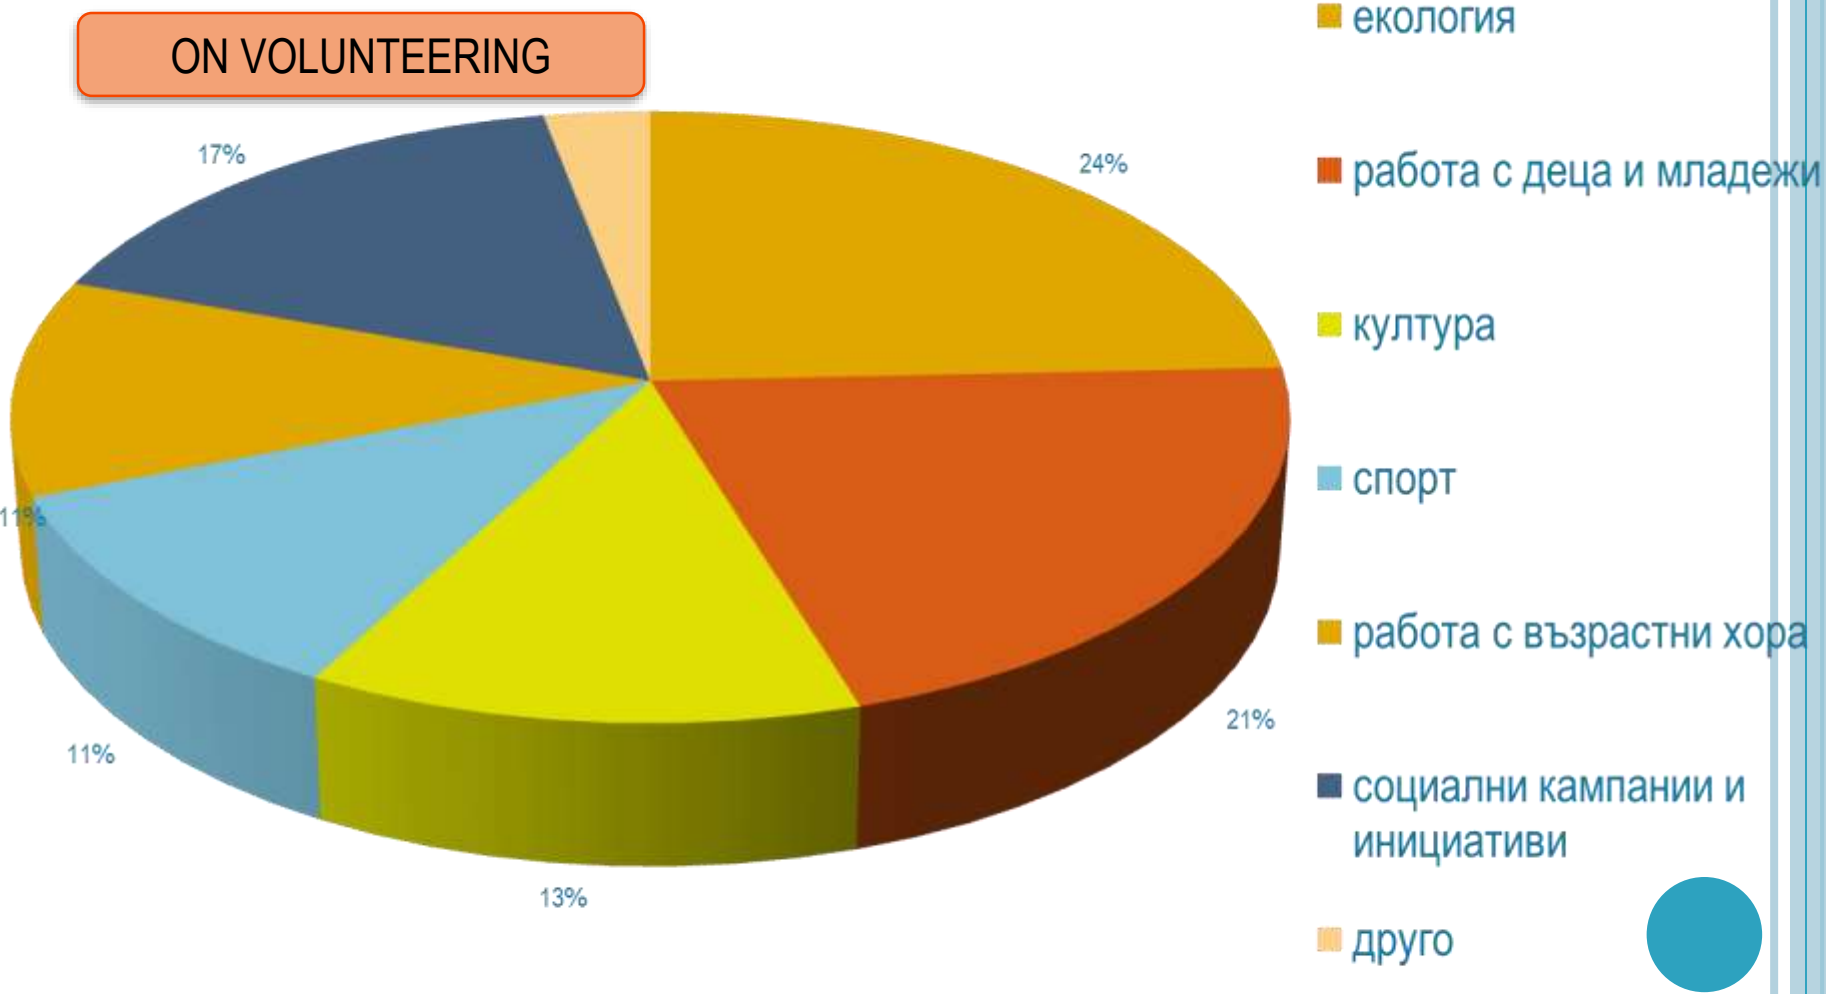

# In Bulgaria in volunteering are actively involved:
